

User Account Management Service - my.uniwa.gr

Last update: 20/2/2026

Description

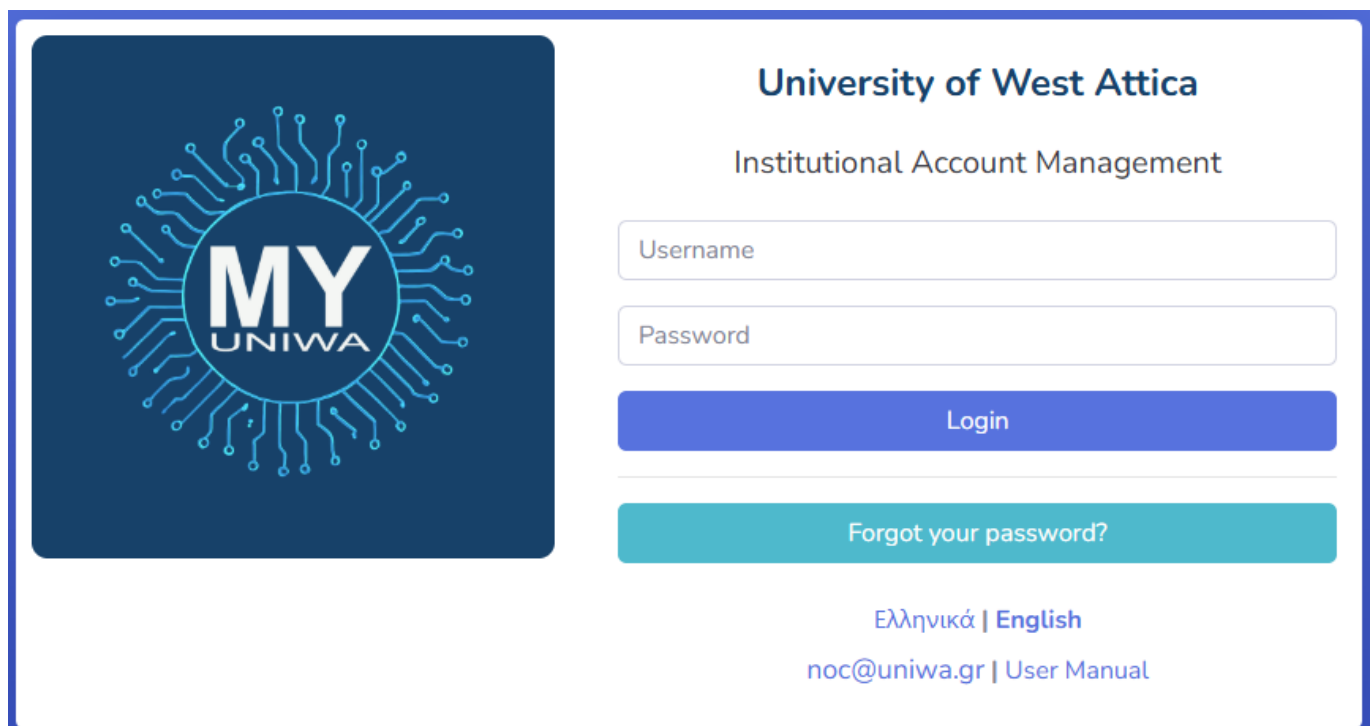

The User Account Management Service is a web-based service that gives users the ability to:

- Change their password.
- Add or change their account recovery email.
- Change their display name in Office 365 (Outlook, Teams, OneDrive, etc.).
- Reset their account password.

Change password instructions

To change the current password of your institutional account, please follow these steps:

1. Open using a browser the page <https://my.uniwa.gr>
2. Enter your account credentials and click "Login".

The screenshot shows the login interface for the University of West Attica Institutional Account Management service. On the left is a dark blue square with a white circuit-like pattern and the text 'MY UNIWA'. On the right, the text 'University of West Attica' and 'Institutional Account Management' is displayed. Below this are two input fields: 'Username' and 'Password'. A blue 'Login' button is positioned below the password field. A teal button labeled 'Forgot your password?' is located below the login button. At the bottom, there are links for 'Ελληνικά | English' and 'noc@uniwa.gr | User Manual'.

3. Navigate to the "Change Password" tab, either by selecting it from the left-hand menu or by clicking the "Continue" button under the "Change Password" section.

The screenshot shows a user dashboard with a blue sidebar on the left. The sidebar contains a 'MY' header, a 'Dashboard' link, and a 'MANAGEMENT' section with three items: 'Change Password' (circled in red), 'Recovery Email', and 'Display Name'. Below these is a 'Logout' link and a back arrow. The main content area is titled 'Dashboard' and displays user information: Username: teststudent2, Full name: ΦΟΙΤΗΤΗΣ ΔΟΚΙΜΑΣΤΙΚΟΣ, and Deactivation Date: 01/12/2027. Below the information are three cards: 'Change Password' (with a key icon and a 'Continue' button circled in red), 'Change Recovery Email' (with an @ icon and a 'Continue' button), and 'Change Display Name' (with a person icon and a 'Continue' button'). At the top right, there is a session expiry timer (14:21), a language selector (EN), and a 'User Manual' link.

4. To change your password, enter the new password in the “Change Password” tab and click the “Save New Password” button. If the new password complies with the security requirements, the message “Password changed successfully!” will appear at the top of the application.

The screenshot shows the 'Change Password' form. At the top left is a key icon and the title 'Change Password'. At the top right is a blue button labeled 'Save new Password'. Below the title is an information icon and the text: 'To change your password, please follow the instructions below:'. The instructions are: 1. Fill in the fields “New Password” and “Confirm Password”. 2. Click the Save button. Below the instructions is a note: 'The new password must be 8 to 20 characters long and include at least one special character (e.g. ! @ # \$ % ^ & * ()), at least one uppercase letter, and at least one number.' At the bottom are two input fields: 'New Password *' and 'Confirm Password *', each with a toggle eye icon to the right.
